SUMMARY

The speaker announces the transition of their annual live summit, Evolve, to an online format called Revolve, scheduled for September 18th. This event will feature five prominent speakers and a full day of personal development content, along with bonuses for attendees, including a masterclass and copies of a new book aimed at helping teens manage anxiety.

- The online summit, Revolve, will take place on September 18th.*
- Features five speakers: Daniel Laporte, Claudia Chan, Aquila Richards, Dr. Elizabeth Cohen, and Nikki Crawford.*
- Attendees will receive seven hours of content focused on personal growth and development.*
- Registration includes a one-hour masterclass and a PDF.*
- Participants will receive three copies of the new book "Super Powered," aimed at helping teens manage anxiety.*
- The book includes exercises and visuals for interactive learning.*
- An early bird registration special is currently available.*
- The event is designed to inspire and ignite personal transformation.*

every year around this time is a busy time for me it's a time when i begin to plan my four-day live summit called evolve i typically do it in california and we have a huge gathering of amazing people with amazing speakers who come for a true community and enlivening experience well as many of you can imagine we can't do evolve this year so many people were asking me why i

don't do it online well i'm going to so i'm so happy to announce that on september 18th friday will be one of what i hope many mini evolves online live five amazing speakers daniel laporte claudia chan aquila richards dr elizabeth cohen and nikki crawford you can check them

all out in the link below but what do you get during this amazing one day live online summit you're going to get seven hours with me straight bring your lunch i'm going to be touching on every aspect of your development and growth and give you a packed day of inspiration momentum rebirth and reformation i have called this online summit revolve because i believe it's a time of revolution

so mark your calendars friday september 18th tell your partners take care of the children this is your day to give yourself the gift to inspire and ignite a new you in addition as soon as you register you will receive in your email box a one hour amazing masterclass that i recorded just for you never seen before footage just for you so as soon as you register you get that

with a pdf and you get three copies of my new book mail to your home some of you may have already bought my new book it's coming out next month well you're gonna get three more copies and you know what you can do with these extra copies give it to your local library give it to your basketball coaches and your other coaches your teachers give this book out it is a book called super powered transforming anxiety into courage

confidence and resilience my co-author rini jane and i wrote this book specifically for teens and pre-teens to manage their anxiety it's full of schematics and visuals and exercises and they can write in it it is the book of the times and that's why we're sending three books home with you the moment you register of course the mail is slow so give us some time for it to reach you but this is all what you get with the

price of registration i have an early bird special right now go click the link below so that you can go and explore my online live evolve called revolve to birth a new renaissance a new reformation a rebirth in you hope to see you september 18th book the whole day we're going to be together seven hours five guests three books and a bonus masterclass i hope i see you there
