Speaker 1: Before you embark on the Disney Adventure Cruise, here are a few things you must know. First, complete your online check in in advance. It makes embarkation day much easier. You'll get your stateroom details a day before. Keep your port arrival card, QR code and passport ready. Download the Disney Cruise Navigator app before you board. Everything happens on the app, booking activities, checking schedules, and even tracking your expenses. Make sure you pre book free experiences like character meetups and charm making activities.

Speaker 1: They fill up super fast, but if you're not able to perform meet and greet, don't worry. There are plenty of sessions where you can simply line up and meet your favorite characters. Also, only the live theater shows need book. Everything else is open. When you finally board, you'll be welcomed with applause and trust me, it feels magical. Important tip. Your luggage may arrive late, so make sure you pack your essentials and your luggage will be delivered outside your room.

Speaker 1: And yes, we're most excited about the roller coaster, the Longest one at Sea. Now let's talk about one of the coolest features, Rotational dining. You dine at different themed restaurants each night, but you'll have the same table number and the same dining. And the best part? Your servers move around with you. They remember your preferences, your kids favorites, and even your allergies. Food is not something you need to worry about at all. From pizzas to Indian food, there's something for everyone.

Speaker 1: My personal favorite is the Animator's Table where your child's drawing actually comes to life.

Balances Goes Wayfinder Way, and Imagination Garden is truly non stop fun. To make sure you have smooth disembarkation, leave your luggage outside your door the night before using the tags provided that afternoon. On the final day, all guests must disembark by 9.30am you disembark according to your luggage tag group, pick up your bags from the designated area at the terminal and off you go.
