SUMMARY

The conversation revolves around the humorous and somewhat absurd notion of collaging and vision boards, with the speakers joking about the "darkness" associated with such crafts. They discuss the idea of getting too deep into creative pursuits and the age-appropriateness of certain activities.

- *The speakers question the sanity of getting too invested in crafts like collaging.*
- *Collaging is humorously labeled as a "dark" art form.*
- *There's a playful debate about the merits of creating vision boards.*
- *The conversation touches on the idea of manifesting desires through art.*
- *They emphasize the importance of stepping away from "dark" creative practices.*
- *The age factor is mentioned, suggesting that vision boards are for a later stage in life.*

You can sum of it for over 6 years, really? Are you on the slippery slope now where you're like I now have gone too far and I've seen that it's just better this way? Are you like that? Yeah. You do love it. You do love it. That's something in there. You got a lot of You're probably getting weird and you don't know it. I was getting weird and I didn't know it. Are you doing weird crafts? Any weird crafts?

What do you got? What kind of crafts you got? Yeah, that's dark. Collaging? Collaging is the darkest form. That's the darkest [laughter] art form. That's the darkest witchcraft. That's not good. That's not good. Collaging is bad. Collaging is not good. We did that when we were third turning we were cutting ourselves. That's You can't do that. You got to walk away from the darkness, babe. Walk into the light. What kind of collages you doing? Like memory board kind of stuff? Like things you want to manifest? Don't say yes, say no to that.

>> [laughter] >> Like out your cutting like pictures of trees out of magazine and putting them together? Babe. [laughter] Babe, do you know what you just said to me? You just said I want to make my yard nice so I'm collaging lots of trees, which that is What is that? A vision board. That's a vision board. And we don't do that. We don't do that. We walk away from that and we go find [_] is what we do. We're not doing vision boards. We're not doing that. How old are you? Can I ask how old you are?

Yeah, for We're not there yet, babe. You got 20 more years before you do vision boards. 20 more years. That's crazy.
