- Plans for a second edition of the festival were announced, promising to be even bigger and better.*
- The festival concluded with a heartfelt message encouraging families to stay connected and engaged.*

[Music] a very good evening to all my wonderful parents and dear dear little children welcome to day eight of this entire festival as the curtains fall on the first edition of the get set parent children's literature art and music festival with vishwarang i can't help but go back

in time to two months ago when we first conceptualized this entire show of eight days you know we are a parenting channel but we realized what our parents without their children we kept wondering what can we do for children who've been locked in at home all the way since march what better than to bring the world to their screens and put forth the best in literature art and music i'm so

incredibly thankful to all the wonderful authors artists musicians resource persons and others who came together and saw our vision to do something as spectacular as what you've been witnessing over the last eight days a big big thank you also to all our wonderful partner collaborators who helped us reach out to children across the country did you know this festival is being witnessed across

20 countries as a part of the very very large vishwaran international festival as well it takes a very large team to organize something as vast as this i couldn't have done this without the support of my excellent team behind the

brand of get set parent with pallavi we have designers we have editors we have cameramen we have digital experts research consultants and so many people who helped me in putting together

this entire canvas and finally what would i do without the immense love and support that i got from all of you my wonderful audience you have been tuning in every day and witnessing 21 amazing sessions and spreading the word around what more could i ask for we at the get set parent and vishwaran team promised to be back next year with the second edition bigger better

more spectacular than the one that you have just witnessed but but but the festival is not yet over we have the cherry on the cake waiting just for you today we're going to witness three fantastic sessions right we have the wonderful mrs rohini niligani who is going to enthrall us with a story reading of her latest book and we're going to get into a very very nice chat with her we have the prolific anand nila canton

who has churned out super hits like bahubali asura and whatnot we're going to talk to him and he's going to you know do some really fun activities with our children and finally we have the mesmerising shillong chamber choir to put a musical end note to this entire festival so stay tuned don't go anywhere today you want to see all three sessions but before we get into our first session you know what to do

press the bell icon to stay subscribed and follow me and all the wonderful things i have lined up for you even post this festival also follow me on instagram and facebook to stay tuned with everything that i do so what are we waiting for let's jump right into today's sessions [Music] while curating this entire festival i was never more sure

that the grand finale performance had to be a musical one and not just by any group i was so sure i wanted the shillong chamber choir to design something absolutely stunning and spectacular for us the 25-member shillong chamber choir first came into everybody's notice when they won the india's got talent season 2. their spectacular performances have since then enthralled several audience across several countries

today they're here to enchant us with a very very special children's medley composed and sung especially for the first edition of the get set parent children's literature art and music festival in association with vishwaran ladies gentlemen and kids i present to you the grand finale the shillong chamber choir hello kids and welcome to the get set parent children's literature music

and art festival in association with vishwaran we are the shillong chamber choir and we're going to take you on a musical journey that's going to be a whole lot of fun so sit back and enjoy their songs from tangled from frozen from beauty and the beast even but we're going to begin with a song that i'm quite sure you're all familiar with and please sing along this is you are my sunshine my only sunshine enjoy

[Music] foreign [Music]

[Music] foreign [Music] you are my sunshine my only sunshine

you make me happy when skies are gray you never know dear how much i love you please don't take my sunshine away [Music] please don't take my sunshine away

[Music] foreign [Music] foreign

foreign [Music] my only sunshine you make me happy when skies are gray you never know dear how much i love you please [Music] you are my sunshine and that's what you are little children you are our sunshine

our only sunshine you make us happy when the skies are gray and here's a song for you this next one is from one of your favorites i'm pretty sure about that as well please welcome now to the front rasheela and donna singing for you from the movie frozen this is let it go

the snow glows white on the mountain light not a footprint to be seen a kingdom of isolation and it looks like i'm the queen the wind is hurting like this whirling storm inside couldn't keep it in heaven don't know them in don't let them see

be the good girl you always have to be concealed don't feel don't let them know well now they know let it go let it go can't hold it back anymore let it go let it go turn away and slam the door i don't care what they're going to

say let the storm rage it's funny how some distance makes everything seem small and the [Music] it's time to see what i can do

to test the limits and break through [Music] let it go let it go i'm one with the wind and sky let it go let it go you'll never see me cry here i stand and here i stay

[Music] my power flurries through the air into the ground my soul is spiraling and frozen fractals all around and one third crystal like an icy blast i'm never going back the past is

in the past let it go let it go i'll rise like the break of dawn let it go let it go that perfect girl is gone [Music] let the storm

coal rage bothered me anyway [Music] we had so much fun with that one and now we're gonna sing you two songs in two different languages which we don't normally speak in and this is akhla cholori in bangla and a.r rahman's china china assay which is in tamil ladies and gentlemen and all you little children out there

enjoy these next two pieces as much as we are going to [Music]

foreign [Music] [Music] is oh

[Music] oh this literature music and arts festival is a great initiative to expose children to all kinds of art forms and world renowned authors during these difficult times and now let me introduce you to a 12 year old piano enthusiast

whose passion is music he's been playing the piano since he was a little boy and it just goes to show that when you put your heart to something you will succeed ladies and gentlemen and all you little children please welcome monker pung on the piano playing low side blues by joanna mcgregor take it away little man

so do [Music] do

[Music] all right all right that was good but let us give these kids something to dance to hello i am pinwan and now mong and i are going to steal the show with bare necessities

from the movie the jungle book you better get up from your seats and start dancing [Music] a one two three necessities the simple bad necessities forget about your worries and your strife i mean the bad necessities of mother nature's

recipes that brings the bad necessities of life wherever i wonder wherever i was i couldn't be [Music] in found tree to make some potatoes for me when you look under the rocks and plant and take a glance at the frenzy and sled maybe try a few the necessities of

[Music] that's why you're begging restitutes with just the bad necessities of life when you pick a poor paw or a prickly pig when you pick a raw paw well next time beware don't pick the pretty pet by the poor when you pick a prayer try to use the claw but you don't need to use the claw when

you pick a path of the big paw paw have i given you a clue they'll come to you they'll come to you they'll come to you from jungle book to tangle this is i see the light

all those days watching from the windows all those years outside looking in all that time never even knowing just how blind i've been [Music]

[Music] [Music] and at last i see the light and it's like the sky is new and it's warm and real and and the world has somehow

shifted all that once everything looks different know that i see you [Music]

so all those days chasing down a daydream all those years living in a blur all that time never truly seeing things the way they were now she's here shining in the starlight now she's here

suddenly i know if she's here it's crystal clear i'm aware i'm meant to [Music] and it's like the fork has lifted and at last i see the [Music]

and the world has somehow shifted [Music] is different now that i see you [Music] now that i [Music]

see [Music] now please welcome back the shillong chamber choir for a cheeky version of chinchinchu followed by a song of which i've been told is quite popular amongst the children and that is disco

divani [Music] enjoy [Music]

hello [Music] foreign [Music]

hello [Music] foreign [Music]

[Music] foreign [Music] foreign [Music]

foreign [Music] oh [Music] [Music]

hello [Music] is

[Music] [Music] me [Music]

people everywhere a sense of expectation hanging in the air [Music] give it a spark across the room your eyes are glowing in the dark and here we go again we notice how we know the end the masters of the sea [Music] we've done it all before and now we're back to get some more

no regrets you know what to do [Music] [Music]

me foreign [Music] i

[Music] [Music] [Music] foreign [Music]

[Music] [Music] foreign

[Music] foreign it's been so much fun performing for all of you we'd like to end with this next song which is from the children's classic beauty and the beast but before that a big big thank you to get set parent with pallavi and also for vishwaran for having us the shillong chamber choir be a part of this event this final piece

from beauty and the beast has been specially arranged just for you sit back and enjoy [Music] true as it can be

barely even friends then somebody bent unexpectedly [Music] just a little change small to say the least both a little scared [Music] neither one prepared

ever just the same [Music] as the sun will rise

true as it can be [Music] surprise [Music]

as the sun will rise [Music] [Music] you can change

[Music] certainness [Music]

does thank you ladies and gentlemen and all you little children watching out there this is the shillong chimba choir signing off and wishing you a stay safe and god bless oh my god what an absolutely

awe-inspiring performance i'm going to be listening to these guys on loop for sure and i think you will too so with that my dear children and parents we come to the end of the first edition of the get set parent with pallavi children's literature art and music festival with vishwalang but like i said we're going to be back next year with the second edition even more spectacular the festival might end but our association will continue we're going to be back on this channel

and with several parenting based uh videos that are going to be of immense use to all of you so this is your host

pallavi signing off from the festival for now but we'll meet you very soon again stay subscribed and if you haven't already please press the bell icon to stay updated with all my videos also follow me on instagram and facebook to stay tuned with what i do so that's it from me take care stay safe

and enjoy your time with your families much love bye [Music] you
