SUMMARY

Lodha Genius is a transformative educational initiative designed for students in grades 7 to 11, offering personalized mentorship and real-world experiences to help them reach their full potential. This fully funded program, in partnership with prestigious institutions like Ashoka University, includes a three to four-week campus experience with expert faculty, guest lectures, and internships.

- *Personalized mentorship tailored to individual student paths.*
- *Three to four-week immersive campus experience with global faculty.*
- *Guest lectures from Nobel laureates and industry leaders.*
- *Real internships and learning opportunities from institutions like CERN.*
- *Focus on life skills, networking, and professional growth.*
- *Fully funded by the Lodha Foundation with no hidden costs.*
- *Merit-based admission for the brightest students.*
- *Registration deadline is January 15th; limited spots available.*

If you're a parent of a student who's currently in grade 7 to grade 11, or you're a student yourself, stop scrolling. This reel could change everything [music] for you. I know the reality. Brilliant students with no proper guidance. Parents investing so much in coaching, but the question really is where are the real world experiences? What if expert 360° dedicated support was provided to help your child nurture his or her complete potential? Here's Lodha Genius, an initiative by the Lodha Foundation in partnership with prestigious institutions like Ashoka University and Isa Pune. This is not just any academic [music] program. It has personalized mentorship with mentors who understand your unique path and not a one-size-fits-all [music] approach. It is a three to four week campus experience with brilliant faculties from Indian and global universities. It also has guest lectures from Nobel laureates, real internships and learning opportunities from CERN and other global [music] universities, life skills, networking and professional growth. Everything that prepares you for the real world. A multi-year journey that grows with you and the best part there is no [music] hidden cost. This program is fully funded by the Lodha Foundation. With partnerships like Ashoka University and [music] Isa Pune, they're investing in young India's potential. Here's the thing though, this is 100% merit-based program [music] and only the brightest minds are going to get in. Registrations close on 15th Jan, so hurry. That's just a few weeks away. Type apply in the comments below and we'll send you the registration link. [music] Hurry and don't miss this unique opportunity.
